Animating Antiquity

This presentation will introduce the Panoply Vase Animation Project, outlining the approach taken by the project to interpreting artefacts and presenting them in a playful way to the public. There will be information on the animations being prepared for *Our Mythical Childhood* and the first work-in-progress demonstration of material being prepared for *Locus Ludi*.

This Project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 Research and Innovation Programme under grant agreement No 681202, *Our Mythical Childhood... The Reception of Classical Antiquity in Children's and Young Adults' Culture in Response to Regional and Global Challenges*, ERC Consolidator Grant (2016–2021), led by Prof. Katarzyna Marciniak, Faculty of “Artes Liberales” of the University of Warsaw.
