Additional information	
Contents & Purpose	There are two worksheets, one crossword and one word search, plus another copy of each in which the name Heracles is used in place of Hercules. These are identical worksheets, and either may be chosen depending on the version of the name the teachers prefer.
	Hercules/Heracles crossword
	Hercules/Heracles word search
Further comments	These activities presume previous knowledge of the Heracles myths, especially his labours. They do not intend to teach the myth, but examine reading comprehension skills.
	The labours are presented as part of the word search activity.
