Lanternfish

LANTERNFISH contains printable teaching resources for language arts, TESOL, TEFL and ESL. Lanternfish ESL is maintained by a group of ESL (English as Second Language) teachers in Asia and North America. Our aim is to bring printable quality resources to teachers and parents.

This Project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 Research and Innovation Programme under grant agreement No 681202, *Our Mythical Childhood... The Reception of Classical Antiquity in Children's and Young Adults' Culture in Response to Regional and Global Challenges*, ERC Consolidator Grant (2016–2021), led by Prof. Katarzyna Marciniak, Faculty of "Artes Liberales" of the University of Warsaw.

Additional information

Contents & Purpose There are three worksheets in this group, which contain entertaining activities to accompany the teaching of Theseus and the Minotaur myth:
Theseus and the Minotaur Crossword
Theseus and the Minotaur Word Search
Minotaur Word Scramble, in which the students need to break down the word "Minotaur" and see if there are other words they can find while using its letters. For example "the opposite of off", "Something you breathe" etc.

Further comments Since these worksheets are aimed at ESL teachers (English as Second Language), the activities are meant to complement the teaching of the myth but also enhance English reading and comprehension skill (the Word Scramble activity is specifically aimed to enhance vocabulary).
