This Project has received funding from the European Research Council (ERC) under the European Union's Horizon 2020 Research and Innovation Programme under grant agreement No 681202, *Our Mythical Childhood... The Reception of Classical Antiquity in Children's and Young Adults' Culture in Response to Regional and Global Challenges*, ERC Consolidator Grant (2016–2021), led by Prof. Katarzyna Marciniak, Faculty of "Artes Liberales" of the University of Warsaw.

### Additional information

#### Contents & Purpose

The resource is primarily intended for theater classes who are incorporating the myth of Prometheus into the curriculum but can also be used as creative and movement-based activities for students studying the myth of Prometheus in an English or Mythology class. The three lesson plans each create a space where students are interpreting the meaning of the myth and using their bodies to engage with the lesson.
