Creators

Rebecca Ray and Anna Warfield Storyboard That

Storyboard That is a group of artists, teachers, developers, and innovators based in historic Boston, MA who are enthusiastic about bringing digital storytelling to everyone, no matter who or where they are.

Additional information

Contents & Purpose

The purpose of this activity is to familiarize students with characters in Greek mythology. Students are given a template with boxes to: illustrate the god, write their domain of power, symbols, associated myths, and their Roman name. This activity can be assigned prior to learning a specific myth with students doing their own research as preparation, or to be filled out while learning a myth in class.
