Creators

Rebecca Ray and Anna Warfield Storyboard That

Storyboard That is a group of artists, teachers, developers, and innovators based in historic Boston, MA who are enthusiastic about bringing digital storytelling to everyone, no matter who or where they are.

Additional information

Contents & Purpose

Students should choose a myth to create a storyboard and separate the story into the 6 elements of the narrative arc: Exposition, conflict, rising action, climax, falling action, and resolution. Students should then illustrate a scene that represents each of those elements and write a description. This lesson teaches students how to break down and understand a given myth and explain the importance of each stage in the plot.
