Contents & Purpose

The purpose of this assignment is for students to understand widespread themes in Greek mythology and how they reflect the attitude of Greeks towards their myths. Students should choose a theme they've observed to be present in multiple myths they have learned and create a storyboard of three examples where the theme occurs. Each example should include a title, illustration, and description. Examples of themes include human flaws, temptation, payback and reward, brains over brawn, war, love, fate, beauty, etc..
