### Summary

In this chapter-book with illustrations, a boy named Alex accidentally summons Zeus, king of the gods, into his life, when he makes a 'temple (out of loo rolls and a cornflakes box),' as a class project. In the style of comic intrusion fantasy, Zeus causes mayhem. He demands sacrifices from Alex as his 'high priest' in the form of midnight bacon sandwich. He borrows Alex's mother's best night dress when he spills coffee on his robes, transforming into a hamster when adults are near,. He causes the children at Alex's school to re-enact scenes from the Trojan War in the playground. Alex's friend Charlie gets in trouble with Miss Wise the teacher for missing class; Alex and Zeus smuggle him back into the school inside the school's vaulting horse. Ultimately, Alex performs a sacrifice so that Zeus can go home, giving him trinkets from his home as souvenirs for the other gods (e. g. "for Dionysus, god of wine and happiness, a smiley-face badge; for Hestia, goddess of the hearth and the heart-fire, a lump of barbecue charcoal" (p. 84)). Zeus disappears, leaving Alex a golden necklace with a thunderbolt on it, and a note saying "Dear Alex, Just a note to say thanks. You weren't a bad High Priest for an eight-year-old. Keep this thunderbolt safe and I'll bring you luck. And think of me every time you eat a bag of roast bull flavoured crisps. Yours, Zeus. High King of the Gods of Olympus. P.S. Keep the hamster-cage for me, just in case . . ." (p. 89).

### Analysis

This is an example of comic intrusion fantasy, in which the mythical elements intrude into the real life of modern characters. Zeus is summoned through a portal, in this case the temple made of toilet paper rolls and a box of cardboard. The comedy of the story comes from Zeus's disruptive behaviour, and Alex's attempts to keep it secret. Zeus's arrogance as the king of the gods is employed to comic effect, eg. in appropriating Alex's mother's nightdress (with a light-hearted send-up of modern ideas about ancient Greek clothing). Zeus's enjoyment of meddling in the lives of mortals is a key element of the

story, including manipulating the school children to re-enact aspects of the Trojan War. Comic illustrations (in a style that seems influenced by Quentin Blake) add to the light aspects of the book.

Addenda

The phrase "Zeus on the Loose" appears to be quite popular, appearing in Terry Deary's 1998 comic non-fiction book, and a board game published by Gamewright, as well as an episode of Cyberchase, a US-Canadian PBS time-travel cartoon.
